

Stepping Stones @ Braebrook Philosophy

Stepping Stones @ Braebrook is committed to providing high quality care and education for our community in a friendly, fun loving and whānau focused setting.

We value whanaungatanga and express this through responsive, reciprocal relationships with tamariki, whānau, kaiako and community.

We understand the importance of manaakitanga and support this by growing and enhancing mana in others.

We support whakamana through a nurturing and supportive environment that fosters creativity, independence, exploration and fun.

We strive to maintain pono/integrity in our actions. This ensures that all have the opportunity to make choices and achieve success on their own terms.

We value mana reo/communication that encourages and supports identity, language and culture. This supports the realisation of aspirations through a bicultural lens.

"Hapaitia te ara tika pumau ai te rangatiratanga mo nga uri whakatipu"

Foster the pathway of knowledge to strength, independence and growth for future generations.
